Secretary-	Alberta Wagaman Route 1, Box 195-D Camby, Indiana 46113	Treasurer-	Sally Kirka 116 Oak St. Manchester, Conn. 06040
Directors-	Henry Blaha (past President) Dottie Dow Lee Martin Alice Penzes	Editors-	Sally & Al Kirka 116 Oak St. Manchester, Conn. 06040

MESSAGE FROM THE PRESIDENT

Dear Fellow Members:

Thank you for the privilege and honor of being your president. There is a big job ahead, but with the help I'm expecting from so many good members, I'm sure T.E.C. will give out with many benefits for us all to enjoy. I have several ideas which I hope, will add to the interest and activity of T.E.C. It will take a little time to get them in operation.

The most important function of T.E.C. or any other organization, that only meets once a year is the publication. Actually our very existence depends on the T.E.C. News, as it is the only form of contact between members that we have. When a member fails to get his newsletter, he begins to feel loss of contact with his fellow members. He also feels he has been left out and his interest in the hobby drops. It doesn't take many issues being suspended, until there just isn't much fellowship left.

I have appointed Sally Kirka as Editor and she and her good husband Al as her assistant. They have taken over this position with enthusiasm. I can't help but feel that they are bound to be a success in putting out the T.E.C. News. We can all be extremely thankful that we are fortunate enough to have Sally as our Editor. The one thing we should all remember is, that Sally can only edit and publish the paper. She can not write it, although my bet is that she would give it a good try, in the absence of articles from members. Lets all give this some thought. I doubt very much that there is a single member, that couldn't write an interesting article concerning, how and why they first became interested in elongated coins. Perhaps you could write about your elongated and why it is your favorite, or about the most rare piece in your collection. All these things make interesting reading to the other members. Also the rollers could write about why they chose a certain subject. Lets all get in there and help, so Sally can put out a paper we can be proud of. Remember this is your club and your paper and without the T.E.C. News there can be no T.E.C.

The Board of Governors approved my request that the T.E.C. News revert to the old schedule of four issues per year. To put out six a year, is just too much to expect of an Editor. I'm sure most members would rather have four a year and have them arrive when due, than to expect six and maybe only get two of them.

While on the subject of the T.E.C. News, I would like to say that due mostly to the lack of a newsletter, the Board of Governors have declared that dues for 1971 be suspended. This means that if you have

MESSAGE FROM THE PRESIDENT (cont.)

already paid your 1971 dues, this money will be credited to your 1972 dues. It also means that if you were paid up for 1970 you are still a member in good standing until Dec. 31, 1971.

Starting with 1972, all members will receive the addressed envelope system of notifying you that your dues are due and payable. This should eliminate a lot of delinquent dues. I know of several members that failed to send in their dues, simply because they weren't reminded to do so.

I think perhaps I should be bringing this message to a close. I want to leave room for your messages also. Before closing I would like to add that our 5th annual convention in Washington, D.C. was most enjoyable. It certainly was a pleasure to meet old friends again and also to meet those good members whom here-to-fore, I only knew by mail. Wish you all could have been there. So until the next time.

Sincerely --- Lloyd E. Wagaman, Pres.

SECRETARYS - TREASURERS REPORT

AUGUST 13, 1971

The fifth annual meeting of The Elongated Collectors was held August 13, 1971 in the Crystal Room, Washington Hilton Hotel, Washington, D.C. Time 2:30 P.M.

There were 26 members and guests in attendance. President Henry Blaha welcomed all that were present. The Secretarys minutes of the fourth annual meeting were read and approved as read. The Treasurers minutes of the last annual meeting were read and approved as read.

Balance as of 8-70

\$1,506.86

Dibursements:

1971 A.N.A. Dues	12.00
1971 T.A.M.S. DUES	4.00
D. Sabo 1/3 cost of rolling 1970 Award coins	58.33
N. MacQuithy, Printing two TEC Newsletters	210.00
N. MacQuithy, cost of rolling, ribbons, quarters of 1971 TEC Badges	300.00
A. Penzes, secretarys expenses, phone calls, envelopes stamps, mailers, etc.	35.00
	<u>\$887.53</u>

Receipts:

1970, 1971 dues and badges sold	656.85
cash on hand	42.00
Balance as of 7-30-1971	<u>\$1,586.38</u>

New business: Awards chairman sent list of people to receive awards. Lloyd Wagaman read the names and presented them to those in attendance. The rest will be mailed to those named. These are as follows:

Henry Blaha	C.J. Smith	Elton Parsons
Ralph Jobe	Violet Greenwood	Lee Martin
Alice Penzes	Dave Singer	Coin World
N. MacQuithy	Angelo Rosato	Numismatic News
Dottie Dow	Ruby Threlkeld	COINage Magazine
Gordon Green	Bruce Summer	A.N.A. Museum
Maurice Gould	Elon J. Piche	George Kesterson
Ed McClung	John G. Spadone	George Hatie
Donald E. Sabo	George L. Wanzung	D.L. Cooper
Lloyd E. Wagaman	Sally Kirka	Alberta Wagaman
Milton Heitman	Al Kirka	

SECRETARYS - TREASURERS REPORT (cont.)

Lloyd Wagaman then presented to Henry Blaha, the outgoing president, "The Presidents Plaque." Henry thanked all members of T.E.C.

Dottie Dow, nomination committee chairman, read the names of candidates for the following offices:

President - Lloyd E. Wagaman	Board of Governors
Vice-Pres.- Steve Penzes	Dottie Dow
Treasurer - Sally Kirka	Lee Martin
Secretary - Alberta Wagaman	Alice Penzes

All proposed candidates were elected.

The officers and members of TEC would like to thank Harold Schmal, chairman of the ballot committee and Dottie Dow, chairman of the nomination committee for all their work.

Mr. Maurice Gould installed the New Officers and Board members for the coming two years. A big thanks to Maurice Gould.

There was a drawing for door prizes donated by Dottie Dow and Lloyd Wagaman. Many thanks to both of them.

Dottie Dow gave a short talk on how she started her hand shakes at the A.N.A. conventions. Many thanks Dottie, we all enjoyed the talk.

Respectfully submitted -- Alice Moon Penzes -- sec.-treas.

A NOTE FROM YOUR EDITOR

I, Sally Kirka and my husband Al, have taken over as your new editor and co-editor of the TEC News. We will do our best to try to make it as interesting as we can. We also will do everything possible to have the TEC News out four times a year, as voted by the Board of Governors. If at any time we can't do it, your president, Lloyd Wagaman will take over and get the TEC News out to you. Our main goal is to have the TEC News out to you four times a year. As this is our first time making up the news letter, please give us a chance to learn. We will make mistakes but we hope to improve as we go along. If you know of an easier way to do something, please let us know. This is your newsletter and we are willing to learn and correct our mistakes. Your comments and criticism are welcome. Just keep those stories coming in. Get them in before November 17th. Do it now before you forget.

Sally & Al Kirka --- Your TEC Editors

FELLOW TEC MEMBERS

Thanks from your secretary for your support and encouragement. My goal is to keep good records for the club and if at any time I can be of assistance to a member feel free to write. Will appreciate change of address notices, as soon as possible.

Alberta Wagaman -- Secretary

FROM YOUR TREASURER

I also would like to thank each one of you who have voted for me. I deeply appreciate the honor of being your new treasurer. I already have my bank taking care of the TEC money. I will also keep a good record of how and on what we are spending the TEC money.

Sally Kirka -- Treasurer

OUR TRIP TO THE 1971 A.N.A. CONVENTION

by Sally Kirka TEC # 16
and Al Kirka TEC # 450

We arrived in Washington, D.C. Saturday afternoon, August 7. We got a beautiful large room at the Washington Hilton overlooking the swimming pool. The view from our room was very nice with the Washington Monument the high point of the skyline.

Then we just looked around the area near the hotel. We found a good place to eat and a few other stores for our TEC family.

Sunday Aug. 8th.-- Got up early and after breakfast sat in the lobby waiting for the early arrivals. Dottie Dow surprised me and was the first to arrive. She doesn't seem to change much from year to year. Al said, "She looks just as beautiful as ever." Then I walked Henry Blaha with a big smile on his face. It was nice seeing him again after a year. Sat around talking over what happened through out the year. It seems everyone had some sadness this past year. Henry Blaha and I both lost our mothers in the past six months.

Monday Aug. 9th.-- Had breakfast with the few TEC family members that were here. Then we all went to the Professional Numismatists Bourse. Saw a \$500.00 elongated coin. The Dealer thought he had a rare one. I called Henry Blaha over and we sure disappointed the dealer. I had the same thing on a penny. Henry Blaha told the dealer one of our members made it in the past few years. You also can still buy it from \$10.00 and up.

About noon Alice and Steve Penzes came and I was sure happy to see them. I was anxiously waiting for them to come. From then on we followed each other around most of the time.

Tues. Aug. 10th.-- Went down to see the cutting of the ribbon opening the ANA Bourse. There was already a crowd waiting. When the doors opened we made a mad dash for the dealers tables. I guess we all found a few elongated coins which we wanted.

Alice Penzes was busy setting up her exhibit, which was a very good one. Gordon Green had another exhibit which was very good.

I was busy trying to get all kinds of pictures with two cameras. I have to have a report for six clubs. I have enough slides of the convention to have a nice program for my clubs.

That night, the TEC family got together and exchanged gifts. We all got some beautiful things. Thanks to Dottie, Alice and Henry.

Wednesday Aug. 11th.-- This was a busy day for all of us so each one went his own way in the morning. In the afternoon Lloyd and Alberta Wagaman arrived and Al and I were sure happy to see them. Up until then I felt a little lonesome. First thing Lloyd did was to give me a nice elongated half dollar. He ended up giving me four first day covers too. I perked right up after that.

The officers of TEC had a board of directors meeting and many things were talked over. The main thing was to get the TEC News out on time. Also to try to get back all our members.

That night we all went up to Dottie's room and just had fun talking over old times.

Thursday Aug. 12th.-- Started off with Alice and Steve Penzes, Al and I, Counted the ballots for the International Organization of Wooden Money Collectors. That took a couple of hours. Then we went down to the lobby to talk with our friends. At times we had about one fourth of the lobby filled with our TEC friends.

OUR TRIP TO THE 1971 A.N.A. CONVENTION (cont.)

In the afternoon everyone went their own way. I myself had some business to finish for my New England Numismatic Association. I'm the Bourse Chairman of our November 19-20-21 Annual Conference and Convention at the Hartford Hilton in Hartford, Connecticut.

Friday Aug. 13th.- This was really a busy day for most of us. We first went to the I.O.W.M.C. meeting. Had to walk out on that meeting, as we had to go to the T.A.M.S. luncheon. No sooner did we finish that, then we had to go to the TEC meeting. The TEC meeting went off very good. The new officers were installed by Maurice Gould, who is one swell guy. Al and I were busy snapping pictures at the meeting. Got some good ones too. Also got one with every one looking in a different direction. One of these years I will have to show the slides at some future convention.

From the TEC meeting we had to stay for a very short Board of Directors meeting. I was just too tired to go to a banquet of the Society of Paper Money Collectors that night. Even though we were tired we all went to the Wagamans room and stayed until about midnight.

Saturday Aug. 14th.- Our vacation was coming to an end but we still had a couple more things to go to. Most of the TEC members went to the Club Representatives breakfast. To my surprise I was awarded the Outstanding Club Representatives Award. I stood one chance in a million to win. I was sure proud and happy but could'nt stop the tears from coming. Went back to the table and all my TEC family had tears in their eyes too. Thanks kids.

Spent the afternoon saying good-bye to our friends that were leaving. Little by little only a few of us were left.

The best part of the convention was still to come. The ANA banquet was really something to see. The food was very good and the program excellent. You could'nt help but enjoy yourself. We had the same group at our table as we had last year. Then our happy convention came to an end. The good-byes were that night as everyone was off for home early Sunday morning. We will all get a good rest at home and will start saving for New Orleans in 1972. See you all there.

IMPORTANT NOTICE

The Awards committee had practically no information to work from other than the TEC News. As in the past the issues have been rather irregular. We know there are several people left out, when it came to passing out the 1970 award coins.

If you think you should have had an award coming, for anything you may have done in 1970. Please get in touch with your president, or the award committee chairman, Don Sabo, 307 E. Clarendon St., Prospect Heights, Illinois 60070. Do this prior to November 1, 1971. After that date the additional coins will be rolled and the die destroyed. You are eligible for the award coin if, you gave a talk, or showed slides concerning elongated coins to coin clubs, school groups or other educational groups. You are also eligible if, you made an elongated display and won a 1st, 2nd or 3rd place award. Also writing a published article concerning elongated coins, makes you eligible. This is a beautiful award coin and a definite rarity. So far only 32 specimens have been rolled and issued. It is doubtful that total mintage will exceed 50 pieces.

WHY COLLECT ELONGATEDS?

by Lee Martin T.E.C. #129

There are probably as many reasons for collecting elongateds as there are elongated collectors, but elongateds have special attributes to entice the hobbyist. They are the only genuine United States commemorative coins being made today. They represent art work by a wide range of individuals. Subject matter may be selective or haphazard. Those who specialize in a single subject can find coins with practically every image. Among our favorite topicals are: space releases, celebrity issue, slogan coins and store cards.

Certainly one of the reasons many collectors join the ranks is the very limited mintages which always allows room for a future profit. Because the market place is limited, it is unusual to find elongateds with a greater mintage than 1,000. In many instances the roller will merely make a couple of hundred. Despite the small available number, prices for the coins remain extremely reasonable. No one is sure which elongated is considered the most valuable in the field. Reports of payments in excess of \$100 for a coin are rare and it is doubtful if anyone has paid over \$500 for an elongated rarity.

The elongated coin has subject interest and also is attractive because the rolling may be on an unusual planchet. The devotee may find the Queen Mary on an English penny or Shalom on an Israeli coin. Practically every surface has been utilized for elongateds and although gold elongateds are not legal, enough plated ones exist to make the roller happy. The title of this article is "Why Collect Elongateds?" The answer is; for education, profit, self-satisfaction and most of all fun! Why collect elongateds? Why Not!

A THANK YOU

by C.J. Smith T.E.C. # 421

Would you please extend my thanks to the Award Committee, for the very nice award I received in the mail.

Truly I was very pleasantly surprised by the award. I can only hope, the article that was mostly arranged by Norm MacQuithy, did bring several members into such a fine organization as T.E.C. It is such things as this, that puts new fire into people, who tend to lag at times, at their hobby.

NOTICE

An up to date membership list will be sent to all members. It is now in the planning stage. Some members do not want their address to be published. If you want your address to be with-held from the list, please write to the Secretary. Also if your newsletter was sent to a previous address and had to be forwarded to you, please advise the Secretary of your new address. Secretary, -- Mrs. Alberta Wagaman, Route 1 Box 195-D, Camby, Illinois 46113

FROM YOUR VICE-PRESIDENT

Many thanks to the many friends who have voted for me, as your new vice-president. I will do my part in helping the new president and the rest of the officers in any way that I can.

Steve Penzes -- vice-president

MESSAGE FROM YOUR PAST PRESIDENT

Pass the gavel please,--- Yes, it is that time again and my turn to pass the gavel to our new President, Lloyd E. Wagaman.

The Fifth T.E.C. Convention is now a matter of record. The new slate of Officers have stepped up to take charge for the next two years.

This last year was rather rocky, due to the breakdown of T.E.C. News. There was'nt any communication and steps have been taken to alleviate the situation. I do hope that we can once again, get all the T.E.C. fraternity back to-gether again.

So, Lloyd, here is the gavel, use it well and my hand is nearby, if you ever need it.

Yours, -- Henry W. Blaha T.E.C. # 8

DIRECTORY OF UNLISTEDS

The president has appointed Bob Callander, P.O. Box 71, Nappanee, Indiana 46550, to be a committee chairman, to compile a directory of unlisted elongateds. Bob Callander has accepted the offer. Bob is a dedicated and a serious collector of the older elongateds. He owns one of the most outstanding collections in the country. He has very little interest in the modern pieces and therefore, he will only list the older pieces issued before 1950. He will start by listing his own unlisteds. Also those of people he knows, who will co-operate, with him in this venture. If you have an older unlisted, you will be doing the entire hobby a favor. Make a foil or a rubbing of your coin and send it to Bob.

If you are unfamiliar with the making of a foil copy, I will tell you how it is done. By placing a piece of aluminum foil over your coin, with dull side up and pressing with a piece of sponge rubber or an art gum eraser. To make the foil permanent, turn it over, fill with Elmers glue and let dry. PLEASE DO NOT SEND COINS, as it would run into, to much red tape of insuring and registering them. His first list will be published in the January 1st issue and will be upgraded in each succeeding issue. Co-operation of all will make this a very interesting project for all of us.

NOTICE

NOTICE

NOTICE

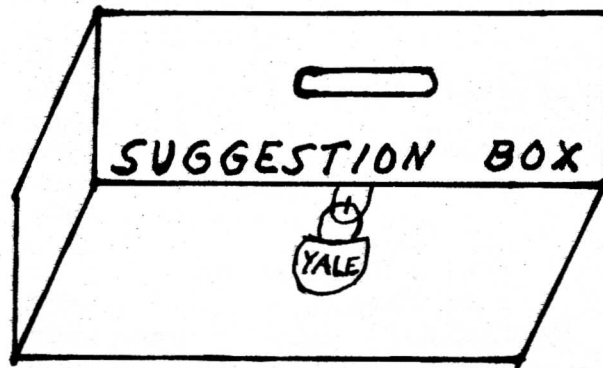

NOTICE

Badges of our 5th Annual Convention in Washington, D.C. are now available from the secretary for \$2.00 plus 30¢ for postage and packaging. The badge has a beautiful elongated 1971 quarter, attached to a blue ribbon and pin. A fine addition to any collection as well as a souvenir of the convention. Only 250 of these badges were made, so it is also somewhat of a rarity. Also still available are badges from four previous conventions. These are also \$2.00 each plus 30¢ for postage and packaging. If you do not have yours as yet, better get them while they are still available. For badges write to the Secretary,

Mrs. Alberta Wagaman, - Route 1 Box 195-D, - Camby, Indiana 46113

Bob Callander TEC # 307 of Nappanee, Indiana gave a talk on elongated coins, at the "Old Fort Coin Club" in Fort Wayne, Indiana on July 8, 1971. It was very well received. The group seemed to enjoy his talk very much. Keep up the good work, Bob.

THE SUGGESTION BOX

The President, Lloyd Wagaman and I, your editor, Sally Kirka and the officers, would like to have a Suggestion Column. We the officers, want to know how, we can make this a better club. Any member of the club, can send in their suggestions. Let us know your ideas, you may come up with some good ones.

First suggestion: How about our TEC club giving a trophy to the best elongated exhibit at the A.N.A. Conventions? This should be done for the benefit of our own members only. Most of the other clubs do this, why can't we give it a try? Something to think about.

CONGRATULATIONS

by Jack Meccariello T.E.C. # 124

First I would like to congratulate Lloyd Wagaman and Mrs. Sally Kirka, and all the other T.E.C. officers. I am sorry that I do not know the rest of the officers by name. I have'nt received any TEC News in a long time. Maybe it's because I have'nt paid my dues. Well anyhow, the last time I wrote an article in TEC News, it was in the April issue of 1968. As you see I don't write to often.

Since a few of the Elongated Collectors have asked me how I make my elongated coins. I will write a few words on the subject. I have been manufacturing elongated coins since 1964. Some of my first elongated coins were very crude. I first tried to make a die by photo etching it. I had no trouble with photo etching, but I had all kinds of trouble getting the right kind of metal for the die. I just could'nt make it work. After making dies for my Nos. 1,2,3, and 4 elongated coins, I started to hand engrave the dies. This did'nt work any better but somehow I got up to #93. Then I went back to photo etching and with a new system that I devised, I came up with a better elongated coin. After that I automated the rolling machine. All I do now is put in 70 pennies and turn on the switch and the machine does the rest.

Now I'm divideing my time between manufacturing elongated coins and the manufacturing of "Gandy Dancer" T.T. Railroad Models.

A SPECIAL THANKS

Mrs. Ruby Trelkeld TEC # 202 of La Marque, Texas. wrote me and expressed how surprised she was, on getting a special Award Coin. She said she had no idea she was to get one. Ruby would like to express her thanks to the Award Committee for the beautiful coin.

(Editors Note)-- Keep those stories coming in Ruby and maybe you will be surprised next year too.

I would also like to congratulate you for being elected to the Board of Governors, of the I.O.W.M.C. Good luck to you.

NOTICE

For those of you people who will be near Hartford, Connecticut around November 19, 20, 21. Drop down to the New England Numismatic Associations (NENA) 27th Annual Conference and Convention. The Convention will be held at the Hartford Hilton Hotel on Ford Street, Hartford, Connecticut, in the heart of the city. We will have 60 dealers for buying, selling and trading. Your editor is the Bourse Chairman there. Guess who will be the first, to make a mad dash looking for elongated coins.

Al and I will have an exhibit of our elongated coins there. We may not win but I know a lot of people will at least know a little more about elongated coins.

FROM THE EDITORS

Well, here is our first effort in putting out a newsletter. We hope it meets with your approval and you get some information and enjoyment out of it. Now with the Convention news and the changing of TEC Officers past history, we need other new material for future issues of TEC.

Lee Martin of COINage Magazine was the first to answer our plea for an article for our first issue. We left Washington, D.C. on a Sunday for Connecticut, and Lee left for the opposite coast to California. By Wednesday we had an article from Lee in our mailbox. Lee wrote his article and got it off to us promptly, for which we thank him. That way it was'n't forgotten. Won't you do the same NOW. DON'T PUT IT OFF. We need your help to put out a newsletter. Send articles to:
